

— HSA Conference 2016 —

**Hotels NW & SW Portland (a few from East side, Convention Center, too..)**

To help in your search for accommodations, we've provided this wide-ranging list of closest hotels/motels and transportation options found Downtown and NW-SW Portland within 20-25 minutes of Portland's City Center. Hotels *ABOVE \$150 Nightly rate (shared Double Occupancy)* are excluded. This is a *LISTING* (..NOT an endorsement), having our meeting places ... plus transportation, in mind.

Also, your search for Inns and B&B's in the Portland area could be a very promising option, if your transportation can be worked out... especially if you find a place to share with others. If you search for Hostels in Portland, you may find the most budget-minded choices, typically with bunk beds and communal spaces. We chose to focus our search on NW and SW Portland locations, since they are closest to our venue in the Pearl District Downtown—you may want to broaden your search to include NE and SE Portland, across the river where you could find something more affordable, if the MAX Line or car/bus transportation will work for you. Regardless of your choice, please read reviews from different sites to be the most fully informed! ...

PRINT these pages if you would like them as a worksheet...

..and, *Good Luck in your Search!—we will be happy to see you visiting Portland!*

*Considerations:*

- **\*\*Prices Quoted below** are currently quoted rates for August 12-14, 2016, published online at hotel websites, eff. Dec. 9, 2015, and are Subject to Change
  - **Note: price increases typically occur in January & March. For best rates, book EARLY. ...To SAVE on high rates in Portland, can you consider Shared Occupancy? Can you coordinate with other HSA members for a fun and enjoyable stay?...**
  - Portland is a "Destination City"—Downtown hotels are typically booked 97%-FULL in August, the peak of summer. If you've decided LATE, you may still be lucky and find a room to your liking at a discounted rate as a "last-minute booking resulting from cancellations".
- Call the hotel: Find out about cancellation policies and whether there are any discounted rates that you (or your partners?) may qualify for: AAA; AARP; Seniors; Military? ...
  - Special Rates for hotels might also be found through booking agencies, such as : Hotels.com; Travelocity.com; Expedia.com; Hotwire.com; Priceline.com; Booking.com; MoreHotels4Less.com; Orbitz.com; Agoda.com; HotelReservations.com

  - **(some hotels offer matching prices or give an add'l bonus if you find lower rates published elsewhere online..)**
- **ADA Rooms?**— Many hotels offer rooms with walk-in showers, grab bars, equipped for ADA... inquire if needed
- **DESTINATION for BOTH Friday & Saturday MEETINGS, Aug. 12th & 13th : Ramona Apartments in the Pearl District – between NW Quimby & Raleigh on NW 14th Ave, 1550 NW 14th Ave, Portland, OR 97209.** <http://www.theramona.com/> [Find Main Entrance, *LOOK RIGHT*, then enter through door on the Farthest Right, **a few steps away from Main Entrance.**]

You can try looking at STREET VIEWS on Google Maps, by clicking along the route—however photos on Google may NOT be up-to-date. If you want to know more about your intended route(s), perhaps someone in the Portland Haiku Group can help scout it out for you?... just ask!
